I AM READY TO EXPLORE!

Your Guide for this Exploration into Human Potential: Dr. Joe Gallenberger

Dr. Joe Gallenberger is a senior trainer for TMI and creator of the highly successful MC2 program. Dr. Gallenberger has spent more than 20 years exploring the field of psychokinesis, the ability to influence matter through non-physical means. He is a clinical psychologist with 30 years experience as a therapist, as well as, a published author of several books on PK and manifestation. Graduates of this program report achieving strong altered states of consciousness and energy, resulting in physical and psychological healing, as well as, a strong influence over dice and slot machines, the ability to bend of spoons, illuminate light bulbs and other feats of PK. Dr. Gallenberger is a dynamic, heart-driven speaker and his knowledge and inspiring stories show us that we can indeed be miracle workers in our own lives.

I AM READY TO EXPLORE!

Don't take our word for it. Here are what our explorers (past participants) have to say about their experience this transformative program.

"I sincerely believe, no matter who you are, no matter where you come from, that participation in this course will translate into positive direction in your life, and I encourage you to consider attending." RT

"When I say that part of my MC2 experience involved tapping into psychic power to perform healing, control dice throwing, bend spoons, light up a light bulb, and germinate seeds spontaneously in the palm of my hand, you may have various reactions: astonishment, disbelief, awe, curiosity, doubt, or judgment. My final attitude was a combination of awe, joy, and profound gladness and gratitude for the opportunity to share this awakening, living dream." ~ Dawn T.

"Through raising our heart energy and eliminating personal blocks that prevented being in a connected, loving space, we learned the amazing truth of our personal capabilities." ~ T.K.

"I have assisted in teaching his courses for over ten years. As a result, I have witnessed countless miracles of manifesting and healing that go beyond logic and move into the realm of the magical." ~ Patty Ray

"As I reflect on my experience during MC², I think of connection. What I received most was connection with the group around me, and most importantly, with myself. The goal, as I see it, was to bring our personal power into our everyday lives and know the abundance of the source from which this power comes. MC² taught me an extremely valuable lesson: that what we focus our energy most strongly on we end up creating." ~ Felicia P.
